Whether your goal is to address evolving community needs, support your favorite nonprofits in perpetuity, or engage your family in the experience of philanthropy, Foundation For The Carolinas offers expert guidance, personalized service and local resources to help you establish your philanthropic legacy.

A leader in planned giving since 1958, FFTC works with you and your professional advisors to integrate giving into your estate plan. We help structure estate gifts and create charitable plans that maximize your philanthropic impact.

Our flexible succession plans offer permanent stewardship, and ensure your commitment to the communities and causes you support will be honored for years to come.

FFTC can help you establish a plan to ensure your unique legacy.

**Endow Your Annual Giving**

Ensure the causes you support today become a part of your charitable legacy. You can address current and future needs in an area of personal importance by creating an endowed FFTC Designated Fund or FFTC Field of Interest Fund. Endowments exist in perpetuity and are a powerful way to leave a lasting gift.

**Invest in Your Community’s Future**

Help address urgent, unexpected and/or changing needs in our region by creating a fund entrusted to your local community foundation’s discretion. FFTC Community Impact Funds support regional grantmaking and civic initiatives that seek long-term solutions to problems facing the communities we serve.

Whatever your vision for the future of your community, a charitable fund at FFTC can help make it a reality.

**Create a Family Legacy**

FFTC offers a unique combination of personal service, local resources and expert guidance to help you pass the tradition of philanthropy to the next generation. We will work with you to identify shared family values, and to design a philanthropic legacy that ensures your family values are honored by future generations.

**Power of Legacy**

Lucille Puette Giles gave generously throughout her life to a variety of charitable causes. She capped her tradition of philanthropy with an extraordinary, unrestricted bequest of $35 million to Foundation For The Carolinas in 1996.

The endowed gift entrusts FFTC to honor Giles’ legacy in perpetuity by addressing ever-changing needs and opportunities in our community.

To date, $56 million in grants have been awarded to nonprofits from the fund, while maintaining a current market value of more than $37 million.*
