### **Grants Available: Cherokee County Community Foundation Now Accepting Applications from Nonprofits**

**GAFFNEY, SC** – The Cherokee County Community Foundation is currently accepting applications for its 2022 grant program. Eligible applicants include 501(c)(3) nonprofit organizations, congregations, governmental and educational institutions.

The Foundation looks for effective programs and strategies that address community needs and will prioritize requests that focus on crime and safety, economic development, education, family and youth, and public health. Funding requests that fall outside of these areas will also be considered. Proposed projects or programs must serve residents of Cherokee County.

Award amounts will be determined based on the merits of the proposed project. Previous awards have ranged from \$1,000 to \$5,000. Proposals for larger grant awards are encouraged to identify additional funding sources and partnerships with other organizations.
